## About Me

I'm a Graphic and Web Designer with over 12 years of experience creating thoughtful, strategic design across branding, print, and digital platforms. I specialize in taking projects from concept to execution while maintaining consistency, quality, and attention to detail in fast-paced environments.

## Experience

### Kip and King Marketing

*Creative Graphic Designer*  
June 2022 - Present, Broussard, LA

Designed digital and print marketing materials, including branding assets, social media graphics, print collateral, and large-format signage, ensuring consistent visual identity across platforms.

Managed multiple projects and deadlines while collaborating with marketing teams and developers to deliver polished, on-brand creative solutions.

Created and edited short-form video content and reels for marketing and social media platforms.

### Jared Roy Designs

*Graphic & Web Designer*  
May 2013 - Present, Lafayette, LA

Create brand identities, logos, and visual systems that translate ideas into cohesive, compelling design across print and digital platforms.

Design and build custom WordPress and Wix websites, guiding projects from concept to launch while collaborating closely with clients to bring their vision to life.

### Graphic Designer (Contract Roles)

#### Grafx Plus & Touche Printing & Signs
